Dedication

Fred W. Jones

We, the seniors of 1956, wish to dedicate our annual to our two sponsors, Mr. Kloster and Mr. Jones.

Mr. Kloster, as our principal has been a constant help, ready with sympathetic advice and willing to aid us with our educational problems.

Without Mr. Jones, we could not have managed our class concessions so efficiently or effectively.

We wish to show our appreciation for the time, thoughtfulness, and effort they have spent in seeing us through our academic work, financing and directing our senior trip, and helping us establish our goals in our future life.

Class Prophecy

It is the year 1966 and I (Kathleen Brooks) am leaving my home in Lafayette, where I am secretary at a Welfare Agency, to see what can be done about the Old Fair Oaks school building. It has not been in use since the class of '56 has departed.

I am to attend a banquet at the Fair Oaks school under the old Oak tree. It is in honor of the graduating class of 1956. The banquet will consist of cokes and potato chips left over from the '56 candy sales.

We shall dance to the rhythm of the "Sand Burr Boogie" composed by Bob Williams. The band this is playing for us features "Hot Lips" Chuck Halsema on the trumpet. Mrs. Hugh Long (the former Doris Nelson) and Karen Parks (who is now also married) sing with the "Hot Lips Halsema" Band. The song they have chosen to sing will be "Shifting Whispering Sandburrs."

The first to arrive is Howard Nelson in his old '55 Mercury and with him is Dean Conley. They tell me they have just returned from a week's vacation in Florida. Howard and Dean are in a business together raising Box Elder Bugs.

As I welcome Mrs. Tom Cover (the former Linda Murphy) she tells me she and Tom live in southern Indiana with their three sets of twins. They are now living on welfare.

The third classmate I welcome is Mrs. Maureen (Michal) Schultz. She now has a duck farm, where she trains one pet duck for a circus. Her pet duck will also be part of our entertainment.

Driving up next in her own personal hot rod called "Lil' Frank" is Janice Walther. Her fiance Frank Barger built it for her. She works in Fritz Blankership's Funeral Home as a beautician. She sets the corpse hair, getting them ready for burial. Their motto is "Drop Dead."

Shirley Hoffman is now slinging Hash in Ruffus Simmons' "Horse Hash House". As you know he has his own horse ranch where he raises all of his own meat.

Another old classmate Bob Fredel tells me he is still working at Krogers as carry out boy, and he is hoping to be promoted to stocking shelves.

Charles Schultz is happy to report that he is still working on electronics and hoping to be a tube doctor.

We have decided to tear down the old school and build a modern factory in its place. In the factory we shall produce a new kind of glass made from a method discovered by Everett Piatt. With this method we will use all the sand and sandburrs in Fair Oaks. This special kind of "galvanized glass" will be used for building glass houses.

Mrs. Shirley (Bill) Wilcox will manage the factory when she has a little time off from her duties at home.

Ten years from now in the year 1976 we plan to have another reunion.
